klute.ai

PRICING · NOVEMBER 2026

You pay for recorded minutes. Everything else is included.

1 AI credit = 1 minute of recording. Included: transcript with speakers, summary, tasks and suggestions for People notes.

AI cloud – best quality

Welcome
PLN 0

60 credits

valid 7 days from first sign-in

★ Standard
PLN 29

600 credits / month

≈ PLN 0.048 per minute · about 10 hours of recordings

Premium
PLN 59

1500 credits / month

≈ PLN 0.039 per minute · about 25 hours of recordings

Pack
PLN 14.99

120 credits

one-off · never expires

Plan credits expire when the plan renews and are used first, before pack credits. Premium has the same features as Standard – just more credits. One account and balance for iPhone and Mac. Plans will be available once the app is on the App Store; prices outside Poland follow local App Store pricing.

What actions cost

Private, at home

any number of conversations in “iPhone only” or “My devices”

TOTAL **0**

no plan needed

Free, no credits

🔒 iPhone only

Transcript and summary on the phone. Nothing leaves the device.

🏠 My devices

Your Mac with the AI module processes conversations – on your home network.

✓ Always

Recording, editing, tasks, trimming, quick voice tasks, search.

How to pay less

- → Trim silence and unneeded parts before “Process” – you pay for the shorter recording.
- → Process private conversations on your iPhone or Mac – free.
- → Use Premium for key conversations, Standard for everyday ones.
- → The first note and the first 3 questions in every conversation are free.
